► ABOUT US

Empire Bakery is one of the oldest bakery in Ahmedabad. Our journey commenced in the year 1925, when we started our first retail outlet in Mirzapur, Ahmedabad. Unbound passion, unbeaten skills and resolute quality has led us from one success to another. In the year 1978, we started our second large scale manufacturing unit and later in 1990, our third large scale manufacturing unit came into existence. Since then, we have never looked back. With our hard work and passion we have grown slowly and steadily. In 2000, our fourth large scale Industrial manufacturing unit started on a positive note. All our manufacturing units are fully automated, state of the art and highly hygienic under strict surveillance to provide best products and meet our customer's requirements.

At present we are considered to be one of the best bakery in the market with reputation of providing good quality appetising products with a wide range that savours the taste buds of thousands of people with our tempting products.
